

Aint Nobody Rockin

(intro) – : D C-am x4 (D builds to G)

G C D
Aint Nobody Rockin', baby in this town
Aint Nobody Rockin', baby in this town
C D Em A
Aint Nobody Rockin' no more, aint nobody here keeping score
C D Em
Aint Nobody trying to Rock it No More ...(C-C C-D).

D C
well what you gonna do now? (C-C C-D)
D C
Now that you have you're way ? (C-C C-D)
D C D
(And your)hand's on the heartbeat of the city ?
Will you take to the street, and try and read that driving beat?
And ride the crest of the wave that is building ?
Em Am Em Bm Bbm Am
or will you finally learn that time, isnt really on-on on your side ?
Am C D D
And you don't have time to fool a round

Chorus

You only try to twist and shake, to cover up that teenage heartbreak
Its hard to live in a town without pity
So now you try to change the minds of, the ones that wold go so far
To say that say that "you are so pretty ..."
Is it hard to see because your ...
your eyes are blind-ed by the light
Of the setting sun you've been chasing ?

Chorus

:short break on intro (incl buildup on D to D)

Whacha gonna do now, now that you had your way?
And your hand's at the throat of the City ?
Will you end up in the Street ? Still riding that driving Beat ?
And still not aware of the secret that is burning ?
Or will you finally learn that time, isnt really on-on your side
and you dont have time to fool around ?

Chorus
