

Tennessee Woman

I was in love with a woman, I met her up in TN
Her eyes, they sparkled like diamonds, softer than a morning dew
Her lips were sweeter than honey, I know she had the sweetest heart
I was cold, cause I never told her, soon I would have to depart

and now those .. Fair weather winds are blowing
“Freebird” is calling me on
I’m in love with a Tennessee woman,
Lord knows I gotta move on

Her daddy, he was the Sheriff, I know he was an honest man
(but) I knew that soon, he’d have to come around and ..
Break up our happy ho-me

Cause I shot a man down in Georgia,
Lord knows, it was a foolish thing
But he pulled a knife in a ballroom brawl,
Why dont they just leave me alone ?

Chorus
instrumental – chorus2 (Missouri .. w/broken heart)}

I left her while she was still sleeping,
before the sun decided to break
I was too close to GA for comfort, I didnt wanna leave too late
I left her a note that says, “I Love ya,
but in Georgia I’m a wanted man.
Honey forgive me for leaving this way,
I’ll be back for you as soon as I can
